I, Mark J. Marcelli, represent that I am the attorney of record for this invention.

The Assignee is **Taiwan Semiconductor Manufacturing, Co., Ltd.**

The owner, **Taiwan Semiconductor Manufacturing, Co., Ltd.**, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the earliest of the expiration date of the full statutory term of prior patent No. **6,982,134, Issued: January 3, 2006**, as the term of said patent is defined in 35 U.S.C. 154 and 173, and as the term of said patent is presently shortened by any terminal disclaimer. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent and patents granted on said reference applications are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of the term of any patent granted on the instant application that would extend to the earliest of the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of the prior patent, or the earlier expiration date of a patent granted on either of the reference applications "as the term of any of said patents is shortened by any terminal disclaimer," in the event that any of said patents later:

- expires for failure to pay a maintenance fee;
- is held unenforceable;
- is found invalid by a court of competent jurisdiction;
- is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321;
- has all claims canceled by a reexamination certificate;
- is reissued; or
- is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.
